

Chairman's Message

Dear Esteemed Members,

Welcome to this edition of our newsletter. It has been some time since I last provided an update on the exciting developments within our organization.

Regarding our economic situation, we are continually seeking to expand our trade opportunities, open new markets, and enhance bilateral relations between Egypt and the global community.

In line with this objective, I am pleased to announce the upcoming CEBC trade mission to Canada in April 2025. We are coordinating this initiative in

collaboration with the Ministry of Foreign Affairs to visit Toronto, Ottawa, and Montreal.

I would like to take this opportunity to reaffirm our commitment to our mission and express our appreciation to all our members for their ongoing support of our organization. Together, we anticipate achieving significant progress in our endeavors.

Sincerely,

Metaz Raslan

"Developing the Health System in Egypt... Opportunities and Challenges"

The health file in Egypt has received great attention from the political leadership over the past years, which was evident in the significant increase in health allocations, and the launch of a package of initiatives and projects to improve the health system and improve the quality of services provided to citizens, in addition to expanding the comprehensive health insurance system, and expanding the participation of the private sector. . However, despite the great successes witnessed by the health system in the recent period, there are many challenges that still face the continuation of development plans, most notably financing, weak infrastructure, and a shortage of medical personnel in light of the population increase.
